

Abundance

Beloved,

*I so desire to share my abundant life with
you.*

*Life for Me on earth included water walking,
healing the blind, raising the dead,
telling the truth and being humble of heart.*

*It also included being misunderstood,
lonely,
rejected and betrayed. This ultimately led
to My death on a cross. It was My love
for you that kept Me faithful to the end of
my life on this earth; but it has won us life
together forever in heaven.*

*I offer you My abundant love and life today.
Let Me bear your past & present grief and
pain.*

*I can keep you hopeful and faithful, and fill
you up with joy over our everlasting life
together.*

Yours forever in love,

Jesus
