

# *Delivered*

*Dear Redeemed One,*

*When I taught my disciples to pray ‘...lead us not into temptation but deliver us from evil,’ I was providing our key to Kingdom living on earth. As you put your trust in us for your very life, your deliverance becomes our responsibility and is assured.*

*Though it is every man’s yearning to be trouble free, until I come again, the redemption I provide on earth is peace and freedom in, but not always from, tribulations.*

*I endured many trials and tests during my life on earth and have overcome the world with all its troubles. Indeed, it is in your overcoming tribulation that our Father’s plan to conform you into My image is fulfilled.*

*Faith and patience will bring you through to every good thing He has promised you, the greatest of these being love and life eternal.*

*Your Redeemer Kinsman,*

*Jesus*
