

Endurance/Excellence

Dear Heart,

'Don't Quit!' How many times have you heard those words, or have you spoken them to others? When heeded, there is hidden in them the promise of 'well done'. It is My joy to commend you when you have given your all as I did to the woman who put her last cent in the offering plate while others were giving much more, but from their excess.

I want you to know that I see every choice you make to endure in faith, love and patience rather than being offended or quitting. I want you to sense the presence of My love as you walk in this most crucial and valuable aspect of love. 'Excellent!' Our Father will cry to each act of loving endurance you wholeheartedly bring to Him, in response to His 'Don't quit!'

Faithful to the end,

Jesus
