

Faith

Dear Faithful One,

Your faith in Me brings great joy to My heart as Mine did to My Father's heart. There is no greater honor you can give to another than your faith in them.

My words are spirit and life. When you believe and act on them, you will be 'in-spired' and my overcoming life will always prevail.

'Your faith has made you whole.' I often spoke this to someone who had sought Me in faith and they always received healing.

Though there will be trials and tests in your life, your unwavering faith in Me will always bring you wholeness in many ways; having the love of God shed abroad in your heart is one of the most awesome.

Our Father is a rewarder of those who diligently seek Him. When you trust His Word, the Holy Spirit and Me, you can be sure that He will have your best interest in mind, no matter how the circumstances look.

He is good and supreme – all the time.

Faithfully Yours Always,

Jesus
