

Integrity

Dear Honest One,

Integrity – the quality of being complete undivided, sound, pure, honest. That is how it is described in Webster’s dictionary. My definition is a life given to living by the laws my Father has written in your heart and mind.

As you live by the ‘golden rule,’ treating others the way you would like them to treat you, all those qualities will be yours in Me. Resist the multitude of reasons and pressures for not doing this. Instead, anticipate the result of your obedience- the joy and peace that help you sleep at night.

Living a life of integrity is simple, but not easy.

Come to Me. I have survived the battle of accusation and lies and will always be there to help you for I am the truth as well as the way and the life.

Yours Always,

Jesus
