

Meekness

Beloved,

Your gentle, quiet countenance is a beautiful thing. Though in the world, meekness might be equated to weakness, it is an attitude and attribute that is of great value in God's sight. It is not the contentious and controlling that shall ultimately 'inherit the earth,' but the gentle and humble who honor with God's will and ways.

So many expected me to be a conqueror with armies marching to victory over the evils of the day. It was success, not sacrifice, that they thought would make for freedom. But it was and still is in learning of my meek and quiet heart that you will find rest for your own soul and true victory with its everlasting rewards your heavenly Father has in store for you.

As a soft answer turns away wrath, so your meekness will be peace and power producing inside and out, in this world and the next.

*Keep the Peace, **Jesus***
