

Noble

Dear Excellent One,

You are noble in my sight. I have noticed every time you've sacrificed your own desires for the benefit of another. I was pleased when you gave up personal recognition and just did what you knew was right in your heart.

In the long run, it doesn't really matter what people think. Their praise or criticism isn't the bottom line. Nobility of character disregards the opinions of people and personal advantage. It is faithful to the higher law of love and truth within.

When you do your best and give your all, you are a hero to the cloud of witnesses watching from heaven. Remember, what the world might despise will be highly prized by your heavenly Father and me.

You can count on it!

Respectfully yours,

Jesus
