

## *Zest*

*Dear Lively One,*

*There is a zest for life in you that can never be defeated or destroyed. That is because you are a child of the King whose Kingdom is full of gusto with a capitol G. Just as a cork always pops back up to the top of the water after it has been held down by force so shall you survive very much alive, from the trials and tribulations of this life.*

*Nothing and no one is stronger than the Father's love for you that dwells in Me.*

*His love and goodness are ever being offered to you by His Holy Spirit. Seek out His offering, enjoy His presence. Be exhilarated by the mere thought of the riches of His glory and His power that raised Me from the dead,*

*Truly the best is yet to come!!*

*The Beginning and the End,*

*Jesus*
